KeepRite®
Heating & Cooling Products
The Pros Know.

Built with strength

When you choose KeepRite® heating and cooling equipment, it means your home comfort is backed by superior engineering and quality manufacturing so you can enjoy more important things. Each unit is 100% run tested, and we design our products to give you exceptional quality, energy efficiency and reliability. We deliver products that deliver home comfort you can enjoy with confidence.

Backed by exceptional warranties

You get dependable comfort with every KeepRite product. KeepRite Performance Series gas furnaces are covered by a 10-year parts limited warranty.*

What is a gas furnace?

KeepRite gas furnaces are designed for durability and comfort. The warmth and efficiency of natural gas combined with a quiet, efficient blower motor delivers comfort throughout the cold seasons. The gas furnace can also be combined with an indoor evaporator coil and properly matched outdoor air conditioner or heat pump to provide cooling during the warm seasons.

N80 Gas Furnace

WHAT SETS KEEPRITE® GAS FURNACES APART?

- Advanced RPJ® (Rigid Press Joint) aluminized steel heat exchangers capture additional heat generated by your furnace
- Induced draft combustion blower for efficient performance
- Multi-speed ECM for durability and reliability
- 35" height adds installation flexibility
- California low NOx models available for most applications

** To the original owner, KeepRite products are covered by a 10-year parts limited warranty upon timely registration. The limited warranty period is 5 years if not registered within 90 days of installation except in jurisdictions where warranty benefits cannot be conditioned upon registration. See warranty certificate for complete details.*

For California Residents:

For installation in SCAQMD only: Models N95ESN, N92ESN, N80VSL and N80ES do not meet the SCAQMD Rule 1111 14 ng/J NOx emission limit, and thus are subject to a mitigation fee of up to \$450. These furnaces are not eligible for the Clean Air Furnace Rebate Program: www.CleanAirFurnaceRebate.com.

What matters in a gas furnace?

Get the most out of a heating system by choosing the gas furnace that fits your comfort needs. All of our gas furnaces include comfort enhancing and durable features to deliver lasting performance. For the ultimate combination of comfort, efficiency and convenience, ask about our Ion™ communicating system models with Wi-Fi® capability. For more consistent temperature control, look for modulating or two-stage models. For year-round efficiency as the furnace blower runs during the cooling season, look for variable-speed ECM blower motors. And our quietest models feature insulated blower and heater compartments. KeepRite gas furnaces offer energy efficiency, increased comfort, durable performance, and quiet operation.

Efficiency ratings — what do they mean?

Annual Fuel Utilization Efficiency (AFUE) — Measures the heating efficiency of a gas furnace. The higher the AFUE, the greater the gas heating efficiency and energy savings potential.

N95ESN Performance 95 Gas Furnace

- Up to 96% AFUE heating efficiency
- Multi-speed ECM fan motor
- Lifetime heat exchanger limited warranty (upon timely registration)*
- 10-year parts limited warranty (upon timely registration)*

N92ESN Performance 92 Gas Furnace

- Up to 92.1% AFUE heating efficiency
- Multi-speed ECM fan motor
- 20-year heat exchanger limited warranty*
- 10-year parts limited warranty (upon timely registration)*

N80VSL Performance 80 Gas Furnace

- 80% AFUE heating efficiency
- Variable-speed ECM fan motor
- 20-year heat exchanger limited warranty*
- 10-year parts limited warranty (upon timely registration)*

N80ES Performance 80 Gas Furnace

- 80% AFUE heating efficiency
- Multi-speed ECM fan motor
- 20-year heat exchanger limited warranty*
- 10-year parts limited warranty (upon timely registration)*
